#### **General Disclaimer**

These Indices are made available on the express understanding that they will be used solely for the following purposes:

- As a baseline portfolio performance target or benchmark for active and passive bond and treasury portfolios
- Informational tools for Ghana Government bond market performance and risk characteristics
- As reference targets for passive investment strategies and index linked products

The material contained in any of the Indices should not be construed as relating to accounting, legal, regulatory, tax, research or investment advice and it is not intended to consider any specific or general investment objectives.

The material contained in any of the Indices do not constitute a recommendation to take any action or to buy or sell or otherwise deal with anything or anyone identified or contemplated in any of the Indices. Before acting on anything contained in this material, you should consider whether it is suitable to your specific circumstances and, if necessary, seek professional advice.

We do not sponsor, endorse, sell, promote or manage any investment fund or other investment vehicle that is offered by third parties and that seeks to provide an investment return based on the performance of any index.

We make no assurance that investment products based on any of the indices will accurately track the index performance or provide positive investment returns. We make no representation regarding the advisability of investing in any such investment fund or other investment vehicle. A decision to invest in any such investment fund or other investment vehicle should not be made in reliance on any of the statements set forth in this document. Prospective investors are advised to make an investment in any such fund or other vehicle only after carefully considering the risks associated with investing in such funds, as detailed in an offering memorandum or similar document that is prepared by or on behalf of the issuer of the investment fund or other investment product or vehicle.
